"EVERYDAY SOLUTIONS IN ESTHETIC DENTISTRY"
Lancaster Country Club
6:00PM - 9:00PM

COURSE DESCRIPTION :

The restorative dentist and team are faced daily with decisions on how to restore in the Esthetic Zone. A multitude of clinical cases will be presented to illustrate many aspects of Esthetic Dentistry with natural teeth and implants. This aims to be a fast-paced interactive presentation which the entire dental team is invited to attend.

COURSE OBJECTIVES :

- To provide the clinician and team with a predictable approach for long term success in esthetics.
- Practical tips on the nuts and bolts such as tooth preparation rationale, what crown materials to use when, previewing results before treatment starts, efficient and effective provisionalization, digital efficiencies, implant placement and restoration in the esthetic zone.
- How to get in and out of trouble - - troubleshooting.
- A systematic approach to treatment planning which they don't teach in dental school
- Tips on how the dental team works together to provide esthetic treatment, which research tells us about effective case presentations and how to be profitable.

BIO : Dr. Weierbach is a graduate of Bucknell University and the University of Pennsylvania School of Dental Medicine, where he earned his Doctor of Dental Medicine degree and General Practice Residency Certificate. His Prosthodontic Specialty Certificate was awarded by Temple University Dental School.

Dr. Weierbach has practiced more than 30 years in clinical dentistry in Lancaster County and also is an associate clinical professor at the University of Pennsylvania School Of Dental Medicine.

**"RECENT HOT TOPICS IN EMPLOYEE RELATIONS AND
WHAT YOU NEED TO KNOW AND DO & OBSERVATIONS FROM
DEFENSE COUNSEL."**
Lancaster Country Club
6:00PM - 9:00PM

COURSE DESCRIPTION :

This course will review recent hot topics in employment matters, what you as the employer need to know, what actions you need to take to avoid employment issues, and how to handle issues when they arise. An overview of developments in dental patient claims, and Board enforcement activities.

COURSE OBJECTIVES :

- Identifying recent trends in employment-related claims and litigation
- Understanding preventive policies, training, and action steps to avoid such claims and litigation
- Determining what action steps to take and how to handle such issues when they arise.
- To provide attendees with risk management tools by use of example of current trends and actual recent cases in the courts and before the Penna. State Board of Dentistry

BIO : Susan R. Friedman concentrates her practice in labor and employment law, representing management in both the private and public sectors. She advises clients in traditional labor relations matters such as union avoidance, union organizing campaigns, collective bargaining negotiations, grievances, grievance arbitrations, interest arbitrations, strikes, picketing and injunctions. She also practices in the areas of employment discrimination, wage and hour, federal and state prevailing wage matters, personnel actions, personnel policies and procedures, police tenure and civil service hearings and school tenure hearings.

Susan has extensive experience before the National Labor Relations Board, the Pennsylvania Labor Relations Board, the Pennsylvania Human Relations Commission, the EEOC and various arbitrators for private sector grievance arbitration hearings and public sector grievance and interest arbitration hearings under Act 111 and Act 195.

She has more than 40 years of experience representing private employers in the construction, manufacturing and service industries, as well as public employers, including counties, cities, boroughs, townships and municipal authorities under Act 195 for non-uniformed employees as well as under Act 111 for police and fire employees. She also advises school districts under Act 195 and Act 88.

Susan is also part of the coordinator teams for all labor matters under Pennsylvania's Municipalities Financial Recovery Act (Act 47) and other programs of the Pennsylvania Department of Community and Economic Development for the financially distressed cities of Shamokin, Altoona, Harrisburg and Reading.

MEMBERSHIPS/AFFILIATIONS : Lancaster County Bar Association, Pennsylvania Bar Association, Labor and Employment Law Section, The Florida Bar, American Bar Association, Labor and Employment Law Section

SPEAKING ENGAGEMENTS : "Common HR Questions for the Solicitor," Co-presenter with Theresa M. Zechman, Municipal Law Update - 2018

NOVEMBER 29, 2018

Dan concentrates his practice in medical malpractice and licensure and commercial litigation. Before embarking on his legal career, Dan held engineering, safety and risk management positions for an environmental remediation and construction company. His duties at that company included managing claims against one-million dollar self-insured risk GL and WC policies, drafting construction contracts, and representing the corporation in regulatory proceedings before the EPA, OSHA, the EEOC and the NLRB.

Dan is a Board Certified Civil Trial Advocate By the National Board of Trial Advocacy. He has been in practice since 1992 representing dentists, physicians and healthcare professionals and entities. Dan works in the civil courts like Court of Common Pleas and various Magisterial District Courts in Lancaster County and throughout Central Penna, as well as the State Board of Dentistry located in Harrisburg.

He is one of a tiny fraction of attorneys who is Board Certified in Civil Trial Advocacy. Dan also has an "A" rated (for both competency and ethics) by independent rating agency Martindale-Hubbell. Dan lives in Manheim Twp, so he can be extraordinarily accessible to your members!

PRACTICE AREAS: Medical Malpractice, Healthcare & Professional Licensure, Construction & Design Professionals

EDUCATION: Widener University School of Law, J.D., 1992, Fraternity: Phi Delta Phi, University of Illinois, B.S., Engineering, 1987

JANUARY 18, 2019

RADIATION SAFETY FOR PENNSYLVANIA DENTAL PROFESSIONALS

Lancaster Country Club
10:00AM - 12:00PM

COURSE DESCRIPTION :

A thorough understanding of the principals of radiation is critical to patient and staff safety. The purpose of this course is to identify and review the applicable Pennsylvania radiation safety regulations for dental professionals, including the requirements of Pennsylvania Code Title 25 §221.11. The Refresher Training topics listed in "Appendix A" will be discussed, such as the properties of radiation, hazards and effects; and radiation protection methods and procedures.

COURSE OBJECTIVES :

- At the conclusion of the seminar, the participant will be able to: Explain the Pennsylvania radiology regulations governing the training of dental professionals
- Describe the sources of radiation exposure, biological affects, and methods of radiation protection; and
- Apply this knowledge of radiation safety to patient imaging.

BIO: For nearly 20 years as a compliance consultant, Karen Pass has been successfully guiding healthcare managers and staff in meeting the overwhelming challenges of regulatory compliance. Through thousands of OSHA and HIPAA staff trainings and onsite surveys, her primary goal has always been to identify compliance issues and then help clients solve the problems created by those issues. Karen's areas of expertise include OSHA Safety, HIPAA, Infection Prevention, and Radiation Safety, among many others.

She has extensive experience in healthcare compliance policy and procedure development. She has presented seminars sponsored by professional organizations such as Benco Dental, the Delaware Dental Hygienists Association, the Philadelphia Regional Ophthalmic Society, and the Pennsylvania Society of Radiologic Technologists. Her past experience also includes several years as Regional Director of Operations for a national medical imaging corporation. Ms. Pass received her B.S. in Health Arts from the University of St. Francis and is board-certified in several imaging modalities. She is a member of the American Society of Radiologic Technologists and Society of Diagnostic Medical Sonographers.

my name is

Dr. Steve Moriconi

JANUARY 18, 2019

"SUBSTANCE USE DISORDER: AN OVERVIEW AND SAFE PRESCRIBING PRACTICES"

Lancaster Country Club
8:00AM - 10:00AM

COURSE OBJECTIVES :

- Discuss the effects of the opioid epidemic on women and adolescents
- Discuss the use of the PDMP as an informational and screening tool
- Describe the latest data on the Pennsylvania drug crisis
- Identify if long acting opioids are useful for primary treatment of chronic pain
- Discuss how ibuprofen/acetaminophen combinations are useful for acute pain and why
- Explain the definitions of addiction, tolerance, misuse and diversion

- This 2 hour lecture will fulfill the requirements for PA Act 124 licensure as of the 2019 cycle -

BIO : Dr. Steve Moriconi was educated at Fordham University, where he received a BS in Biology. He graduated with a Doctor of Dental Medicine from the University of Pennsylvania in 1978. He completed his Oral and Maxillofacial Surgery residency at Penn in 1983. He has been a practicing oral surgeon in Jenkintown since. He was chosen to lead the Dental Residency Training Program at Abington Hospital in 1987, and as such is Program Director and Chief of the Dental Division.

Dr. Moriconi travels yearly to Haiti with his mission team, and does pro bono work not only for the Haitian community, but also for many underserved patients in the Philadelphia area. In 2010, he was presented the Champion of Diversity Award from the Martin Luther King Committee of Abington Hospital, and in 2013 was given the Pennsylvania Dental Association's Public Service award in recognition of his service to the needy and indigent. He was also elected to both the American and International Colleges of Dentists in 2014. He is the Act 124 PDA lecturer on Substance Use Disorder for 2018-19

JANUARY 18, 2019

“RECOGNIZING AND REPORTING CHILD ABUSE: TRAINING FOR MANDATED REPORTERS”

Lancaster Country Club
1:00PM - 3:30PM

COURSE DESCRIPTION :

The goal of this course, developed by the Pennsylvania Family Support Alliance, is to gain an understanding of your role as mandated reporters in meeting your legal obligations in the area of child protection as per the Child Protective Services Law (CPSL). You will describe and apply current information on the CPSL, recognize elements and indicators of child abuse and neglect, and demonstrate reporting procedures.

COURSE OBJECTIVES :

- Describe and apply current information on the PA Child Protective Services Law and Child
- Identify elements and indicators of child abuse.
- Review child abuse reporting procedures.

BIO : Steve Neidlinger has been CAE Executive Director of the Pennsylvania Academy of General Dentistry since January 2017. He executes the strategic direction of the PAGD board of directors, with the ultimate shared goal of developing better dentists through education and advocacy.

Steve is an association professional with over 17 years of association experience. He has served homecare providers, chemical manufacturers, human service organizations, nurses, and food merchants. His first association position was with the Pennsylvania Dental Association in 2001.

Steve was born and raised in Harrisburg, Pennsylvania. He is a proud graduate of the University of Pittsburgh with a degree in political science and a minor in music. He is a Certified Association Executive through the American Society of Association Executives and is on the board of the Pennsylvania Society for Association Excellence. When he is not slaying dragons on behalf of Pennsylvania's dentists, he enjoys music performance and distance running.
